

More Than a Question

Contemplative Worship in the Manner of Taizé

8:45 a.m. + May 1, 2022

*Contemplation is nothing more than one's whole person being seized by the reality of God's love.
For many Christians down through the ages, a few words repeated endlessly have been a road to contemplation. When these words
are sung, then perhaps they have even more of an impact on the whole personality, penetrating its very depths.*
Brother Roger of Taizé

Silence

During these minutes of silence, simply rest in God's abiding and loving presence in this moment. Consent to God's loving action within you as your surrender and descend into this silence. Simply be here now. Breathe deeply. Center your attention in your heart. If it helps you to center in your heart, use a sacred prayer word such as Peace, Love, Jesus, or Spirit. Or follow the rhythm of your breath.

As you touch the cross, silently entrust your burdens and those of other people to Jesus. Christ accompanies every person in his or her suffering
